

"Flow down, cold rivulet." A Farewell.

## "FLOW DOWN, COLD RIVULET." A FAREWELL.

---

Flow down, cold rivulet, to the sea,  
Thy tribute wave deliver;  
No more by thee my steps shall be,  
Forever and forever.

Flow, softly flow, by lawn and lea,  
A rivulet then a river;  
Nowhere by thee my steps shall be.  
Forever and forever.

But here will sigh thine alder-tree,  
And here thine aspen shiver;  
And here by thee will hum the bee,  
Forever and forever.

A thousand suns will stream on thee,  
A thousand moons will quiver;  
But not by thee my steps shall be,  
Forever and forever.
